

Privacy Policy

We are committed to protecting your privacy and ensuring the security of your personal information. This privacy policy presents the kind of information we collect, how we use it, and the measures we take to safeguard it.

- 1. Information Collection:** When logging in to Tutor Master, the following information is collected in order to identify the session for the data analysis: Your IP address and your anonymous ID
- 2. Purpose of use:** We use the information to analyse which type of chatbot design features perform best in education.
- 3. Third-Party Sharing:** We do not share your personal information with any third parties.
- 4. Data Security:** We employ robust security measures to protect your personal information from unauthorized access, use, or disclosure. These measures include setting a password, encryption, firewalls, and intrusion detection systems.
- 5. Retention of Information:** We retain your personal information until the the purpose of the study has been fulfilled. Once your personal information is no longer needed, we will securely destroy or delete it.
- 6. Your Rights:** You have the following rights with respect to your personal information:
 - **The right to access your personal information**
 - **The right to correct inaccurate personal information**
 - **The right to request deletion of your personal information**
 - **The right to restrict the processing of your personal information**
 - **The right to object to the processing of your personal information**
 - **The right to withdraw your consent to the processing of your personal information**
- 7. Contact Information:** If you have any questions about our privacy policy or wish to exercise any of your rights, please contact fbr620@alumni.ku
